All this information and more is now available on the new Scheme website:

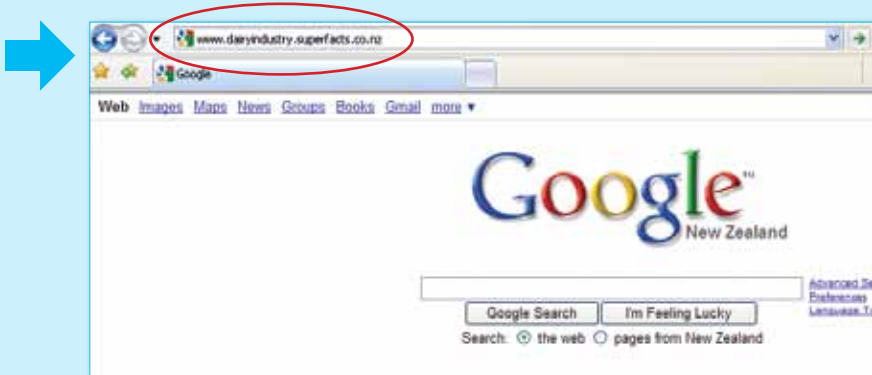

WWW.DAIRYSUPER.SUPERFACTS.CO.NZ

See inside this leaflet for step-by-step instructions on logging on to the Scheme website as well as a guide to some of the new features available.

To Log on:

Step 1

Type **www.dairysuper.superfacts.co.nz** in the address bar at the top of the screen.

Step 2

Type in your member number (available from your personal benefit statement) and your PIN. If you have forgotten your member number or PIN, call the Scheme helpline 0800 355 900.

Now you can:

Select **'Your super value'** to see how much super you have today (including a breakdown between your locked in savings, the benefits you could receive when you leave the Scheme and details of your benefits at previous balance dates).

Select **'Personal details'** to check or change the information the Scheme holds about you.

Select **'Contributions'** for a summary of your and your employer's contributions (including a breakdown between locked and unlocked contributions).

The website also includes a range of features such as:
